GROUP 3600

Sir:

This communication is in response to the Notice of Allowability dated June 18, 2002. Applicants respectfully request the Examiner to enter and consider the following Amendment and remarks.

Match and Return

IN THE CLAIMS:

Please add the following claims:

- 50
15. A motorcycle wheel comprising:  
a rim adapted to receive a motorcycle tire;  
a hub adapted to receive and support a motorcycle axle; and  
at least one spoke extending between said rim and said hub, wherein the at least one spoke includes first and second walls that are separated by a distance and in facing relationship with each other, the first and second walls being substantially entirely unconnected to each other between the hub and the rim.
- B
16. The motorcycle wheel of claim 15, wherein the first wall is substantially parallel to the second wall.
